

# Basement Cable Tray Installation Price

## Overview

TL;DR: Basic wireway systems cost \$8-15 per linear foot, while heavy-duty cable tray installations range from \$12-25 per foot including materials and basic installation. Cable trays are vital in electrical installations, providing secure pathways for power, communication, and control cables across residential, commercial, and industrial settings. Each cable tray type carries its own cost behaviour. Ladder type cable trays are built for heavy-duty routing. In power-heavy areas, they prevent failures that would be far more expensive than the tray itself. You do not need to pull anything. The wire mesh (or basket) trays are. Cable tray pricing depends on materials, coatings, size, supplier margins, and order quantity —plus hidden costs like shipping and installation.
