

Canadian electrical distribution box factory

Overview

Discover Canada's top 5 outdoor electrical enclosure manufacturers, including Eabel and Graybar, offering durable, customizable solutions for harsh climates. At STA Boxes, we take pride in being a Canadian manufacturer dedicated to designing and building rugged, reliable distribution enclosures that meet the industry's highest standards. LHTQ device boxes: Engineered for residential applications, these rugged boxes provide ample space, flexible mounting options and consistent quality—making them a top choice for. Westlake Royal PVC conduit, boxes, and fittings are manufactured in Canada and meet CSA standards for electrical installations. Designed to withstand the elements, they're ideal for new construction, underground conduit runs, and outdoor electrical applications.
