

Customized Australian Fiber Optic Switches

Overview

Our custom fiber optic switches allow the user to tailor the fiber type, connector type, number of connectors, size, configuration, and other specifications to their needs. Begin the Design Process for your Custom Data Network Switch. Or complete our Custom Product Design. Optical Systems Design Pty Ltd is an innovative Australian company that provides cost effective communication systems solutions based on optical fiber technology. OSD offers fiber optic experience and expertise unmatched in the Asia-Pacific region. Fibre. XENON distributes the XENOptics Smart Optical Switch (XSOS) line of solutions in Australia and New Zealand, providing fibre networking automation. The XSOS breaks new ground by replacing manual Optical Distribution Frames and patch panels with a system that can be fully automated and remotely. Fibre Optic Switches are available at Mouser Electronics.
