

Dominican pigtail cable factory

Overview

The company will operate under the Dominican Republic's free zone regime and focus on the production of electrical branches and other components. The initial phase of the factory will be located in the Pisano Free Zone in Santiago de los Caballeros, covering an area of 12,000. Santiago - Intelligent power management company Eaton is opening its new 65,000 square-foot, state-of-the-art assembly plant in Santiago de los Caballeros to meet growing demand for its fuses. The sector employs tens of thousands of workers. Volza's Big Data technology scans over 2 billion export shipments on over 20 parameters to Suppliers who are a perfect match and most likely to work with you. Shop one of the largest inventories of electrical wire and cable. We help you discover and connect directly with trusted Instrumentation Cables manufacturers in Dominica - no agents, no commission, just factory-direct deals.
