Emergency Fiber Reinforcement Tray

Overview

Made from the highest quality pultruded materials, our Fiber Reinforced Polymer (FRP) cable tray is extremely durable and resistant to chemical attack, with a proven record of performance in the most corrosive and structurally demanding environments across the globe. Engineered for industrial and commercial environments, our trays ensure reliable performance in even the toughest conditions. At U-Protec Earthing, we specialize in the. Enduro cable tray (sometimes called cable ladder) sets the industry standard for high-quality fiberglass cable tray. Ebo has been part of the Niedax Group since 2010 and is one of the global market leaders in the field of GRP cable support systems. Ebo Systems was founded in 1959 in Adliswil, Switzerland. FCT FRP Cable Trays are designed specifically for electrical and instrumentation installations, utilizing corrosion-resistant fiber reinforced plastic. These trays are engineered to. Hengshui Hongwo Technology Co.
