

Fiber optic patch cord spring

Overview

The first solution in Spring's high-performance outdoor waterproof fiber optic lineup is the PDLC (Pull-Duplex LC) patch cord. PDLC patch cords are widely used in FTTH architectures and remote radio unit (RRU) connections. Fiber patch cords, otherwise known as fiber optic jumpers or fiber optic patch cables, connect network equipment and transmit data using light signals over fiber optic strands. The Corning Quick Connect program offers a 2-day lead time for our EDGE Uniboot Jumpers, with a 90% delivery guarantee. Whether LC duplex fiber optic patch cables, SC duplex. **CERTIFIED TECH SUPPORT:** To help you in product selection & fiber installation concepts, all of our Sales Technicians and Support Personnel are Certified Fiber Optic Installers. **OUTSTANDING PRICES & STOCK:** Including 10-GIG+, OM3, OM4 and MTP/MPO fiber optic cables! **OVERNIGHT SHIPPING:** Same day on.
