

Highway fiber optic cable fell

Overview

The 15 Freeway in Victorville was shut down for about an hour as crews worked to remove a large fiber optic cable that fell onto traffic lanes after being knocked loose by a construction vehicle on Wednesday morning. The mishap was first reported about 10:30 a. com) — Both directions of the I-15 were shut down on Wednesday morning after a downed cable line fell across the freeway. It happened just before 10:30 am, on November 13, 2024, between Bear Valley Road and Main Street. Discover. Small town and they are upgrading. We live across the street from public "municipiple" boat launch. I'm not sure if technically it's on the business/large complex property as they have 2 private signs and newest on by this. Established in 2013, United Fiber is a leading telecommunications contractor delivering aerial and underground construction, fiber and coax splicing, turnkey engineering, and 24/7 emergency response.
