

Moroccan hybrid optical cable 400G

Overview

The SO-QSFPDD-AOCxxM-4 is an Active Optical Cable (AOC) solution for short-range multi-lane data communication and interconnect applications. Amphenol is a leading innovator in the development and manufacturing of Active Optical Cables (AOCs), delivering high-performance interconnect solutions. 400G AOC Cables from JTOPTICS are Active Optical Cables that offer lightweight, flexible, and low-power connectivity. Designed for high-performance computing and networking environments, they enable fast data transfers with reduced electromagnetic interference. The solution consists of two QSFP-DD transceivers connected via an OM4 MultiMode. The GIGALIGHT 400G QSFP-DD pluggable active optical cable□AOC□/Hybrid Architecture Equivalent active optical cable□AOC□ assemblies support 400G Ethernet and InfiniBand HDR data rates. FIBERCORP is also the distributor and reseller in Morocco and West Africa.
