

# Price of a 2-meter high electrical distribution box

## Overview

New panel box pricing typically ranges from about \$150 to \$1,900 for parts and labor, with most residential projects landing between \$450 and \$1,500 depending on amp rating, gauge of wiring, and labor complexity. How fast can power distribution cabinets & boxes be delivered for wholesale orders?

Our Distribution Box Price offers exceptional quality and style within the Power Distribution Cabinet & Box category. The distribution box cost encompasses not only the initial purchase. An essential part of your electric's network in a home or a business, the distribution board is integral to the smooth running of circuits, with safety built in in the form of fuses or circuit breakers. A good distribution board ensures the safety of those who use the electricity in the building or. The cost of a new panel box depends on the box size, meter/branch requirements, enclosure type, and labor for installation. This article breaks down typical price ranges and driving factors to help homeowners and contractors budget effectively.
