

S16 1 optical module

Overview

1-1-LC module contains one optical STM-16 interfaces that meets the S-16. The physical connector is a LC connector. The interface is an optical STM-16 short haul. Finisar's FTLF1421P1xCL Small Form Factor Pluggable (SFP) optical transceivers are compatible with the SFP Multi-Sourcing Agreement (MSA). They comply with SONET OC-48 IR-1 (SDH STM S-16. 1) standards, Gigabit Ethernet as specified in IEEE Std 802. They are also. All our SFP, 2. Every SFP-OC48-SM13-15KM module is environmentally tested in its specific port/platform, which includes compliance verification for distance. OPTO TRX SFP S-16. 1 PLUGIN ALU Compatible The GigaTech Products 1AB196370001-GT is programmed to be fully compatible and functional with all. Optimize your system's performance with the Alcatel-Lucent 1AB196370002 | S-16. 1 Optical SFP Transceiver Module, engineered for seamless integration, high-speed operation, and dependable network communication. It has a minimum guaranteed optical budget of 13 dB, which typically is enough to reach about 15 km.
