

Syrian ODF patch panel 8 cores

Overview

This high-quality patch panel features 8 cores for efficient fiber optic distribution. Consolidate your fiber optic connections in industrial environments with our DIN rail patch panel, with a modular design and tool-free installation save space and simplify deployment. LongXing rack mount patch panels provide a centralized point for termination, splice, storage and distribution of optical. Achieve successful cable management, handle high amounts of fiber cable and add density to fiber frames with the new DCX Optical Distribution Frame (ODF) System which features innovations like flippable cassettes, modular frame design and multiple configuration options. The ODF System Components. 1. Fiber optic adapter : SC/UPC-SC/UPC 8 pcs. What is your company product?

A: Our main product ranges Fusion Splicer,SFP+ Modules,GEPON OLT, GEPON XPON ONU, with good quality and factory direct price. Can I customized the products?

A: some products are.
